

City of San José
CLASS SPECIFICATION

Title: Assistant Fire Chief U (2333)

DEPARTMENT	ACCOUNTABLE TO	FLSA STATUS
Fire	Fire Chief	Exempt

CLASS SUMMARY

Under administrative direction, the incumbent performs work of unusual difficulty involving planning, coordinating, and directing the administration of the Fire Department and assumes full command in the absence of the Fire Chief. Performs related work as directed.

DISTINGUISHING CHARACTERISTICS

This is a single position class in the unclassified service. The incumbent of this class is responsible for planning, organizing, and directing the activities of the Fire Department. This class differs from the lower class of Deputy Fire Chief in that the incumbent of this class is second in command in the Fire Department and responsible for the overall operations while the Deputy Fire Chief is responsible for a major Fire Department Division.

QUALIFICATIONS

(These qualifications are typically required. An equivalent combination of education, experience, knowledge, skills, and abilities sufficient to satisfactorily perform the duties of the job may be substituted.)

Minimum Qualifications

Education and Experience

Current employment as a Fire Captain or higher rank with the City of San José.

A Bachelor's Degree from an accredited college or university in business administration, management sciences or related field is highly desirable. Advanced coursework or training in leadership, management and/or organizational development is highly desirable.

Required Licensing (such as driver's license, certifications, etc.)

Possession of a valid State of California driver's license.

Other Qualifications

(Incumbents may be required to have different combinations of the listed qualifications, or more specific job-related qualifications depending on the position.)

Basic Knowledge, Skills and Abilities

(Needed at entry into the job in order to perform the essential duties.)

Knowledge of:

- Modern principles, practices, and techniques of Fire Department administration, organization, and operation.
- Methods, techniques, and equipment of modern firefighting, medical emergency services and fire inspection and prevention.
- Principles and practices of public administration, including personnel and budgetary control.

Ability to:

- Effectively command large complex fire suppression operation.
- Plan, develop, and implement a comprehensive fire suppression and prevention program.

City of San José
CLASS SPECIFICATION

Title: Assistant Fire Chief U (2333)

- Supervise and direct a large staff.
