Exhibit B: Basis of Compensation

The Consultant's and Major Subconsultant's compensation for services provided pursuant to an Approved Service Order shall be in accordance with Section 10 of the Agreement and this **Exhibit B**. Consultant shall be compensated for Work performed pursuant to an Approved Service Order based on the following categories only: (1) multiplier compensation; (2) reimbursable expenses; (3) Contract Personnel costs; and (4) subconsultant costs. The Major Subconsultant shall be compensated for Work performed pursuant to an Approved Service Order based on the following categories only: (1) multiplier compensation and (2) reimbursable expenses.

The Consultant's and Major Subconsultant's compensation depends on the classification of their employees as either Onsite Staff or Offsite Staff. For purposes of determining an employee's classification, the Program Management Office ("PMO") shall be the San José Santa Clara Regional Wastewater Facility (RWF) located at 700 Los Esteros Road, San Jose, CA, 95134. An employee shall be classified as "Onsite Staff" for an Approved Service Order if that employee is assigned to the RWF CIP (Program) and based full-time at the PMO during the term of the Approved Service Order. All other Consultant and Major Subconsultant employees shall be classified as "Offsite Staff" during the term of the Approved Service Order.

1. Multiplier Compensation. As compensation for all of Consultant's and Major Subconsultant's employee labor costs and expenses, portions of their overhead costs (as more specifically set forth below) and all of their profit for performing Work required by an Approved Service Order, the City will pay Consultant an amount equal to the Consultant's and Major Subconsultant's Direct Labor Rate (as defined below) multiplied by their respective multipliers listed in Table B-1 ("Multiplier"), plus the applicable APC (as defined below) and geographic pay (if any) ("Multiplier Compensation"). Except for other costs and expenses expressly set forth in this Master Agreement as being compensable, the Multiplier Compensation shall be the Consultant's and Major Subconsultant's only compensation for all Work performed pursuant to an Approved Service Order.

1.1 Direct Labor Rate. For purposes of calculating the Multiplier Compensation, the direct labor rate shall be the sum of the number of hours worked by each of Consultant's employees and Major Subconsultant's employees pursuant to an Approved Service Order multiplied by the respective actual hourly salary rates paid by Consultant and Major Subconsultant to such employees ("Direct Labor Rate"). The actual hourly salary rate for each employee shall be calculated using the employee's actual annual salary based on a normal 8-hour day, 40-hour week (e.g., no overtime, holidays or weekend rates) at the employee's home office location, and shall exclude any other form of compensation (e.g., no bonuses, stock options, profit-sharing or equity arrangements). The Direct Labor Rate shall not include any labor other than Consultant's and Major Subconsultant's employees, including, without limitation, Consultant's Contract Personnel. Each Approved Service Order will specify the maximum allowable actual hourly salary rate by employee or classification. For Consultant and Major Subconsultant staff identified in Attachment B of each Approved Service Order, the actual hourly salary rates may be increased by no more than 3% annually, every January 1st, unless otherwise pre-authorized in writing by the Director.

1.2 Overhead Costs. Consultant acknowledges and agrees that the Multiplier Compensation includes all of Consultant's overhead costs and indirect expenses incurred in performing Work pursuant to this Master Agreement, except for those overhead or indirect expenses compensated separately through the APC (as defined below) or through separate markups provided for in this Agreement. The

Multiplier Compensation is in lieu of itemized payments for fringe benefits and overhead or indirect expenses, including, without limitation:

- Fringe benefits, such as payroll taxes, holidays, vacation and sick time, health, life and accidental insurance, retirement plans, etc.
- Overhead or Indirect Costs, such as outside accounting and legal services, occupancy costs, depreciation costs, professional and general liability insurance, general management and administration, business taxes, etc.

1.3 Associated Project Costs. The associated project costs (“APC”) shall be the sum of the number of hours worked by each of Consultant’s and Major Subconsultant’s employees pursuant to an Approved Service Order multiplied by the respective APC Rate listed in Table B-1. The Consultant acknowledges and agrees that the APC shall cover all customary office costs, network infrastructure and information systems, CAD and computer usage, in-house reproducing services, including graphics and photocopying, printing, postage, overnight delivery, courier services, cell phone and data plan charges, etc. The Consultant’s and Major Subconsultant’s Multipliers shall not be applied to the APC.

1.4 Geographic Pay. Consultant and Major Subconsultant Onsite Staff, with a home office outside of California, may be eligible for geographic pay in accordance with this section. All geographic pay must be pre- approved in writing by the Director, or specified in an Approved Service Order. Geographic pay shall be determined on a case-by-case basis, and shall only cover the differences (if any) in the cost of living based on an agreed amount with the City between California and the geographic region encompassing the Onsite Staff’s home office location, and nominal state tax rate differentials based on official state tax rate brackets for the Consultant and Major Subconsultant staff’s annual salary on the Program. For each geographic pay request, Consultant shall provide sufficient written verifiable justification satisfactory to the City. The City has no obligation to allow geographic pay. The Consultant’s and Major Subconsultant’s Multipliers shall not be applied to geographic pay.

From October 1, 2017 to June 30, 2023

	Consultant Multiplier	Major Subconsultant Multiplier	Consultant & Major Subconsultant APC Rate
Offsite Staff	3.06	2.91	\$9.50/labor-hour
Onsite Staff	2.81	2.67	\$5.35/labor-hour

1.5 Onsite Staff Hourly Multiplier and APC Rates. The multiplier shown in Table B-1 for Onsite Staff has been adjusted based on the City providing the following office support infrastructure for Consultant staff housed at the PMO:

- Work space and office furniture
- Computers and associated equipment
- Printing, postage, and photocopying
- Utilities and landline phones
- Network access and City computer support
- Parking at City facilities

Additionally, as shown in Table B-1, the APC rate is discounted for Onsite Staff for whom the City provides a portion of these services.

1.6 Offsite Staff Hourly Multiplier and APC Rates. All Offsite Staff shall have their office support infrastructure provided by their employer which is included in the multiplier and APC for Offsite Staff.

1.7 Profit. Consultant acknowledges and agrees that amounts paid by the City includes all of Consultant's and Major Subconsultant's profit for performing Work pursuant to an Approved Service Order. Consultant and the Major Subconsultant are allowed a profit up to ten percent (10%) of all amounts that the City pays pursuant to this Agreement ("Profit Percentage"), including, without limitation, the Multiplier Compensation, APC, geographic pay, and markups on the Major Subconsultant, other subconsultants, and reimbursable expenses. In no event shall City be responsible for paying any amount pursuant to an Approved Service Order for which Consultant's or Major Subconsultant's profit would exceed the Profit Percentage.

1.8 Rate and Cost Information. The actual hourly salary rate shall be based on the most current audit of the Consultant's and Major Subconsultant's payroll and financial records. The Consultant's and Major Subconsultant's overhead costs and APC shall be based on the Consultant's and Major Subconsultant's latest audited Federal Acquisition Regulation (FAR) Overhead Statement. If a current audit is not available for the actual hourly salary rate or FAR Overhead Statement, the actual hourly salary rate and/or overhead costs and APC shall be based on information acceptable to the City. The City retains the right to conduct an audit of the Consultant's payroll at any time during the term of this Master Agreement. Unless otherwise required under applicable law, including, but not limited to, the California Public Records Act, the City shall not disclose Consultant's payroll information to third parties without Consultant's prior written consent.

2. Overlapping Compensation Exclusion. Consultant acknowledges and agrees that all compensation paid by the City under this Agreement shall only cover actual costs and expenses incurred by the Consultant in performing work pursuant to an Approved Service Order and the allowable profit thereon. The Consultant agrees not to invoice the City for, and the City shall have no obligation to pay, any duplicative costs or expenses or amounts that are not based on actual costs or expenses incurred. Specifically, in submitting an invoice to the City, the Consultant will be deemed to have represented that no portion of amounts requested for the APC, geographic pay and any markups for subconsultants or reimbursable expenses cover the same categories of costs or expenses requested pursuant to the Consultant's and Major Subconsultant's other labor or other overhead costs or are not based on actual costs incurred.

3. Reimbursable Expenses. The City will pay for the following reimbursable expenses under this Master Agreement:

- Consultant's Onsite Staff who have relocated to the PMO shall not be eligible for reimbursement of travel expenses or travel time as described herein, with the exception of Consultant's Onsite Staff who are required to travel to and from a non-City location for a direct Work-related purpose (e.g., workshop at third-party consultant office, site tour of another wastewater facility, witness testing of equipment). In the event that travel is required under these circumstances, Consultant's Onsite staff shall be eligible for reimbursement

of mileage to/from a non-City location provided that any vehicles purchased or leased by the Consultant for the Work are not otherwise available for use. Mileage reimbursement shall be at the applicable City-approved rate at the time of travel.

3.2 Leased Apartments. In the event of Consultant or Major Subconsultant staff assignments at the PMO lasting longer than one month, monthly leased apartments, including utilities and services, may be utilized provided the cost is less than the maximum allowable lodging rate and is pre-approved in writing by the Director. The monthly maximum allowable reimbursement for rent and allowable utilities will be specified in each approved service order. The allowable utilities and services are limited to the following: electricity, furniture rental, gas, internet, insurance, sewer, trash, and water. For the first applicable invoice, Consultant shall provide a copy of the lease agreement showing the monthly rent amount. Consultant shall provide sufficient backup documentation, including bills/invoices, for allowable utility and service expenses on a monthly basis.

3.3 Leased Vehicles. Consultant or Major Subconsultant may lease vehicles for the use of Consultant or Major Subconsultant staff working at the PMO in lieu of using rental vehicles, if pre-approved in writing by the Director, and if the cost is less than the cost of using rental vehicles. Reimbursement will be through a monthly vehicle fee that includes all actual vehicle operation and maintenance costs, including lease payments, maintenance, insurance, and fuel.

3.4 Mobilization and Relocation. The City shall reimburse Consultant for mobilization and relocation expenses reasonably incurred in connection with the Consultant's staff relocation to work at the PMO full time for a time period of 180 days or longer, if approved in advance by the Director in writing, or as specified in an approved service order.
